

Consent to Publish Photographs and Information

In order to comply with Alberta's Freedom of Information and Protection of Privacy (FOIP) Act and the Copyright Act, the Praxis The Science and Technology Hotline is requesting consent to publish information and photographs of individuals in Praxis marketing materials/media for non-profit educational and promotional purposes. Photographs will **not** be identified by name.

Please note the following information:

- Once photographs and other identifying information are released in any public forum, the Praxis cannot control or prevent the further distribution or use of the material by those who access the information.

- Your consent will be valid indefinitely unless we are instructed otherwise. You may withdraw your consent (prior to publication) by notifying the Praxis Privacy Officer in writing. You may at any time instruct us to remove your (individual) or your child's (parent/guardian) photograph or information from the Praxis sites such as displays or the Praxis web site by notifying the Praxis Privacy Officer in writing.
